

Thunderbird District Merit Badge Counselor List

All counselors are listed under each merit badge, but only those counselors that are willing to work with the entire district are listed in the counselor information section.

Individual troop counselor lists are being sent to the contact person for the troop. I currently need contact information for a large number of troops in the newly re-organized district.

For corrections and updates contact: James E ager at (863) 816-2993 or jjeager@tampabay.rr.com

Notes:

The rules require ALL counselors to be verified once per year. In short, this means that I must go over your information with you once per year, and update a "last contact" date in my database. I am looking to add e-mail addresses for all counselors as well.

If you don't see a particular merit badge on this list, then it isn't a merit badge! I have carefully checked the list of merit badges with the National website to bring my list of merit badges up to date. As of this release of the list, ALL merit badges have at least one counselor. If you know of a candidate, please get them involved.

The current version of the merit badge counselor signup sheet is available on the council website as an acrobat file. Please use only the Nov 2003 or later versions of the form. On the adult applications, a PO Box is NOT an acceptable address. Do not write "on file with council", or other such nonsense on the merit badge counselor signup sheet. You MUST turn in a matching adult application. There are NO exceptions to this rule. Code 42 with NO MONEY. National and Council regulations state that Merit Badge Counselors are approved and registered by the District Advancement Committee. Please deliver forms there.
